Terminal Disclaimer

The terminal disclaimer filed on 09/07/2010 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent No. 7,311,729 has been reviewed and is accepted. The terminal disclaimer has been recorded.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Zlogar on September 29, 2010.

Claims 1-16 and 21-27 have been cancelled.

Allowable Subject Matter

Claims 17, 19, 20 and 28-30 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not appear to disclose or suggest a motivation to combine a method of

modifying the shape of tissue adjacent to a lumen by delivering a device having an anchor and a connector, which includes a focal deflector, or a reshaper device disposed between the proximal and distal anchors extending from the anchor. The method includes the steps of placing the tissue shaping device into a lumen adjacent the target tissue, expanding and locking the anchor into an expanded configuration to secure the device within a lumen wall; and applying a proximally directed force on the distal anchor, wherein applying the proximally directed force on the distal anchor applies a shaping force from the focal deflector against the lumen wall to modify the shape of the target tissue; expanding the proximal anchor, and wherein anchoring the proximal anchor occurs before ceasing the proximally directed force.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
